SPARKLE SERVICES HOLIDAY PARTY!

Sparkle Services held an amazing Holiday dinner at Figaro's Italian Restaurant located here in our home town of Enfield. We were so pleased that so many people were able to attend! Thank you everyone for joining our party!

Floors, get ready to be CLEANED!

Tennant T16!

Meet our newest member of our cleaning team-The Tennant T16. This machine not only scrubs and washes warehouse floors, but it also pre-sweeps dirt and debris. This means, lower costs of cleaning and the quicker the job gets done the right way!

Vendor of the Year Award!

We are proud to announce that Tim Keene of Bardaglio, Hart & Shuman LLC has been awarded our vendor of the year for 2011! The hard work, diligence and attention to detail that Tim Keene has provided Sparkle Services Inc. earned Bardaglio, Hart, & Shuman this year's award. Tim goes above and beyond the call of duty and has always been right there when we needed him. BH&S has been a full service CPA firm providing a full array of accounting, tax and business services for over 50 years. Mr. Keene has provided us with our accounting needs for 10 years!

George Bardaglio first opened office in 1957 in Windsor Locks, CT. In 1970 BH&S was established by the three original partners, George Bardaglio, William Hart and Philip Shuman. They absolutely go by their mission statement which is "to listen to our clients, identify their needs and concerns, find appropriate solutions, minimize problems through proactive action and to better our community through responsible professionalism and volunteer involvement." BH&S can be reached at www.cpabhs.com.

Storm Alfred!

Storm Alfred left our town in such a mess, with thousands of residents and businesses out of power for days to over a week! This bazaar storm, however, did not stop Sparkle Services from work! Although our office had no power for over a week, we didn't stop servicing our customers!
