

The Sparkler

Volume 11-Fall Issue

Let Sparkle Services Serve You!

Sparkle Services is growing! Sparkle Services is pleased to announce our newest customer, Culligan Water located in South Windsor, CT. Culligan asked for an initial cleaning, which landed us the honor of serving them weekly! We gave the facility a top to bottom clean and this is what they had to say...**“When I walked into our office, there was truly a ‘Sparkle!’”** Thank you very much for the compliment! We are happy to be working with your company!

Culligan

TIMKEN

A warm welcome to yet another new customer Timken Aerospace Transmissions. Timken is a large facility located in Manchester, CT that we will be maintaining five days a week. Thank you everyone at Timken for the warm welcome and hospitality! Moreover, thank you for choosing Sparkle Services!
