On January 18, Sparkle Services had a successful "Stripping and Waxing" class to show employees how to properly and carefully restore and finish tile floors. JP Mayo from Hillyard and Tom Grenier

from Rovic came to help the team along with training. JP and Tom gave us many helpful tricks and tips to create a beautiful spot-free floor finish! We worked on the floors in our office for practice. As you can see below, they came out wonderful! Good work guys!
