

The Sparkler

Volume 10-Summer Issue

Summer time...

The Sparkle crew gets certified!

In April, Mike from Maybury came to teach and certify the guys in boom lifts, scissor lifts and other warehouse equipment. This was a great certification to have and it taught the guys a lot of safety tips when using heavy machinery. Thanks for your time Mike! It was a great hands on experience!

**Sparkle Services welcomes
2 new customers!!!**

And...

Did you know?

5¢ EACH: RETURN WATER BOTTLES!

Some water bottles are now returnable for 5 cents just like cans and bottles are! You can return them at your local super market or donate them to "Cans for Kids". Make sure the back of the bottle says "Redeemable in CT" when returning!

The Sparkler

Sparkle Participates in the Enfield Clean Sweep!

This years Enfield Clean Sweep was on Saturday, April 17. Many members from the community got together, joined a team and helped clean up areas on Enfield that had trash or other debris. Many businesses, youth groups, sports teams, and families all joined together to help make Enfield a beautiful place! Thank you to everyone who participated!

Lego Company in Enfield joins...

"CANS FOR KIDS"

Yet again, another company joins in to participate in the "Cans for Kids" program! The Lego Company of Enfield is a supporter of "Cans for Kids", a non-profit organization that gives money from returnable cans and bottles to the Connecticut Children's Hospital! To see how you can participate, check out our website!
